

WE'RE PRO

KEEPING YOU CONNECTED

Upgrade to 4G LTE MTG with 1 year JDLINK Connect plus JDLINK Access + RDA 5 year Subscription from either 2G or 3G MTG starting at just \$300 and now include JDLINK Connect, JDLINK access and RDA!

*Price includes MTG hardware, labor and additional kits are separate.

With 4G LTE and JDLINK Connect you unlock Wireless Data Transfer (WDT) and Service Advisor Remote (SAR) capabilities. WDT gives you a steady automatic flow of agronomic data between your machines and the devices you use to manage your operation, so you can make sound, timely decisions for your farm-wherever, whenever. SAR allows your trusted LandPro technicians to perform some software updates from the dealership.
