TWO-STAGE

PROFESSIONAL 28

Pre-dawn is no time for amateur hour. Leave it to a Professional. Designed for heavy residential and commercial use. It's powered and primed to take on the deepest, heaviest and most treacherous snow with ease. The massive 23.5" tall housing and 420cc Ariens AX engine can throw 79 tons of snow up to 60' every hour

MOVES
UP TO **79** TONS
HOUR

ACCESSORIES

Sno-Thro Cab
Non-abrasive Skid Shoes
Tire Chains
Sno-Thro Cover
Maintenance Kit
Floor Mat

AUTO-TURN™ STEERING

Clear your path with sports-car handling. Because you should be in control of the machine, not the other way around.

ARIENS AX ENGINE

Reliable 420 cc Ariens AX engine

HAND WARMERS

Stay warm and comfortable.

THROW SNOW FARTHER

With the 16" auger, tall chute design, and easy to use controls, you'll throw snow farther and with more precision.

ELECTRIC START

Push-button starting for quick, easy use in the most extreme temperatures.
