# PLATINUM 28 SHO RAPIDTRAK

What do you get when you pair the performance of the Ariens Platinum series with the unbeatable traction and control of RapidTrak? The power of the Ariens AX snow engine and the super high output impeller rocket powder up to 55ft. Oblivious to the toughest inclines or most treacherous terrain, RapidTrak(r) makes carving a path seem like a walk in the park. Easy to switch between three modes, the track system maintains constant contact with the terrain to charge ahead.
